Hello all, i have been doing some reading and would like some clarification. I have an altezza rs200 and would like to convert it to a 1jz-gte. Now alot of people have said so many different things, i want to convert the car simple and i have seen loads of them done so it isnt rocket science.

HEELPP 1jz conversion into an Altezza is it really that ...

Modern electronic automatic transmissions have electrical solenoids which are activated to change gears. Simple electronic-control designs use the solenoids to modify the shift points in an existing valve body, while more advanced designs use the solenoids to control the clutches directly, by way of a greatly simplified valve body.

Attached are both the wiring diagrams for the 2001 and also 2002-2005 Lexus IS300. Disclaimer - I don't take any responsibility for these diagrams, these do seem to be the factory wiring diagrams but I always like to double check / cross reference any wiring. Also I do not own a IS300 and can't confirm ... Continue reading IS300 Wiring Diagrams →
