Jane Addams | History of Social Theory

Abstract. In the period 1889–1930, Jane Addams, working as a member of sociology's classic generation, created a sociology that places ethics at the center of its analysis of society and social life—as a major explanatory variable in social theory, a policy objective for applied sociology, and an important emphasis in the practice of public sociology (as presented to a public that ...

The Explanatory Power of Ethics: The Sociology of Jane Addams

Jane Addams (1860–1935) was an activist, community organizer, international peace advocate and a social philosopher in the United States during the late 19th century and early 20th century. The dynamics of canon formation, however, resulted in her philosophical work being largely ignored until the 1990s.
