The Study Skills Handbook Stella Cottrell
Covering everything you need to know to succeed in college, this book helps you to develop the skills you need to improve your grades, build your confidence and plan the future you want.

The Study Skills Handbook | Stella Cottrell | download

Stella sees reflection as a central component of study skills. Since Higher Education involves more autonomous learning than students may have experienced previously, they need to become responsible for reflecting on their own progress, strengths and areas in need of development. [11]
